

PH Protocol for Improving Agriculture Quality & Qty

Krishna Mohan, Advanced Pranic Healer & Trainer and Farmer Friends

Thanks to Grand Master Choa Kok Sui, the below given protocols has proved very effective and is common for all crops.

PROTOCOL FOR BASIC PRANIC HEALERS

1) INVOCATION

- a. Invoke for The Supreme Being, MCKS & Co. for Guidance and Blessings

2) MEDITATION

- a. Play Meditation on Twin Hearts in the field (This is for the Crop)
- b. Healer should also meditate on the twin hearts and bless the crop during and after the meditation
- c. Visualize a healthy crop
- d. Visualize the final product of High Quality and Maximum Quantity
- e. Do the above two steps for more than 5 minutes after TWIN HEARTS MEDITATION

3) PH PROTOCOL

- a. Invoke for The Supreme Being, MCKS & Co. for Guidance and Blessings
- b. Invoke and Request Mother Nature and Mother Earth for help
- c. Cleanse using White Light
- d. Bless/Energy the crop with Brilliant White Light every day
- e. *THIS SHOULD BE DONE ONES EVERY DAY.
** Bless the soil with white light every day for five minutes, one week before sowing the seed.

OBSERVATION OF THE FARMERS

- a. This technique is cost reducing
- b. This has increased the quantity of final agriculture product (i.e. Almost 33% more)
- c. Quality and Quantity of the final product improved greatly.
